

LIVE BUENOS AIRES

THE PROPOSAL

Live Buenos Aires is an invitation to see Buenos Aires through a different Perspective, in a non-traditional way.

A city tour that will make you discover its spirit, its mystique, its charm. A journey through time that will make you relive the past in a unique and unforgettable manner.

Throughout the tour you will enjoy an audiovisual experience that will make you relive history.

Prior to each stop, the bus will turn into a micro-cinema and you will see a series of 5-minute video-clips. There, you will see Evita speaking to the crowd from the Casa Rosada, or the Argentines celebrating the return of democracy.
